# Logging in to Advisor Home Office

- Access directly via <https://advisorhomeoffice.sunlife.com.ph/sunadvisor/>
- Use same login credentials as the other tools (Sun Advisor App, Sun Future Planner, SunSMART, BCOS)

## Getting to know the Navigation

*Advisor Home Office is arranged differently from Advisors' Portal.  
To familiarize yourself, just remember that it works this way:*

# What about the Home Page?

*The Home page is a springboard – shortcut to most used Summary Reports*

The screenshot displays the Sun Life Home Office Overview dashboard. The top navigation bar includes the Sun Life logo, a search icon, and a user profile for 'Xlczzbxbth Crbz Sherman'. The left sidebar contains a 'Category' icon and a list of menu items: Home, Clients, New Business, and Production. The main content area is divided into several sections:

- CLIENT UPDATES:** A grid of six cards showing metrics for March 2020: Pending apps (0), Client reselling (13), Flagged policies (30), Premiums due (0), Client transactions (0), and Client birthdays (19).
- TEAM PRODUCTION UPDATES:** Two cards for the period Aug 26 to Sep 25. The 'Life Stats' card shows 84.00 settled lives and 796.23 credits. The 'Mutual Fund Stats' card shows PHP 114,815.41 in commissionable gross sales and PHP 2,205.23 in total agent commissions.
- FEATURED:** A large banner for 'GLOBAL GROWTH FUND FAQs' with a background image of modern skyscrapers.
- SOCIAL MEDIA:** A section for 'Official Sun Life Accounts' with links to Facebook, Twitter, YouTube, and LinkedIn, followed by 'Advisor Groups' including Sales Support, Sales Training and Development, and MF Agency Sales Team.
- REMOTE SELLING:** A list of downloadable forms: SL Reg App Form (Editable PDF), SL SIO App Form (Editable PDF), SL GIO App Form (Editable PDF), and Client Suitability Assessment.

Two yellow callout circles are overlaid on the dashboard. The first circle, labeled 'Category', points to the sidebar menu. The second circle, labeled 'Shortcuts to Summary Reports', points to the 'CLIENT UPDATES' and 'TEAM PRODUCTION UPDATES' sections.

# How to use the Navigation

The screenshot displays the Sun Life Financial Advisor Home Office Overview interface. The left sidebar contains a navigation menu with the following items: Home, Clients, New Business, Production, Team Reports, Announcements, Training, Downloads, and Logout. The main content area is divided into several sections: CLIENT UPDATES, TEAM PRODUCTION UPDATES, QUICK LINKS, and SOCIAL MEDIA. The CLIENT UPDATES section includes a 'Clients & NB' link, a 'Planned policies' section with a 'Training tool' link, and a 'Client birthdays' section for April 2019. The TEAM PRODUCTION UPDATES section includes 'Life Stats' and 'Mutual Fund Stats' for the period Jan 29 to Feb 22, cutoff as of January 30. The QUICK LINKS section includes links to the Sun Life website, SunSMART, Sun Life funds (NAVPS/NAVPU), and Sun Click2Shop. The SOCIAL MEDIA section includes links to Official Sun Life Accounts (Facebook, Twitter, YouTube, LinkedIn) and Advisor Groups (Sales Support, Sales Training and Development, MF Agency Sales Team, and Advisor Technology Support).

Annotations on the interface include:

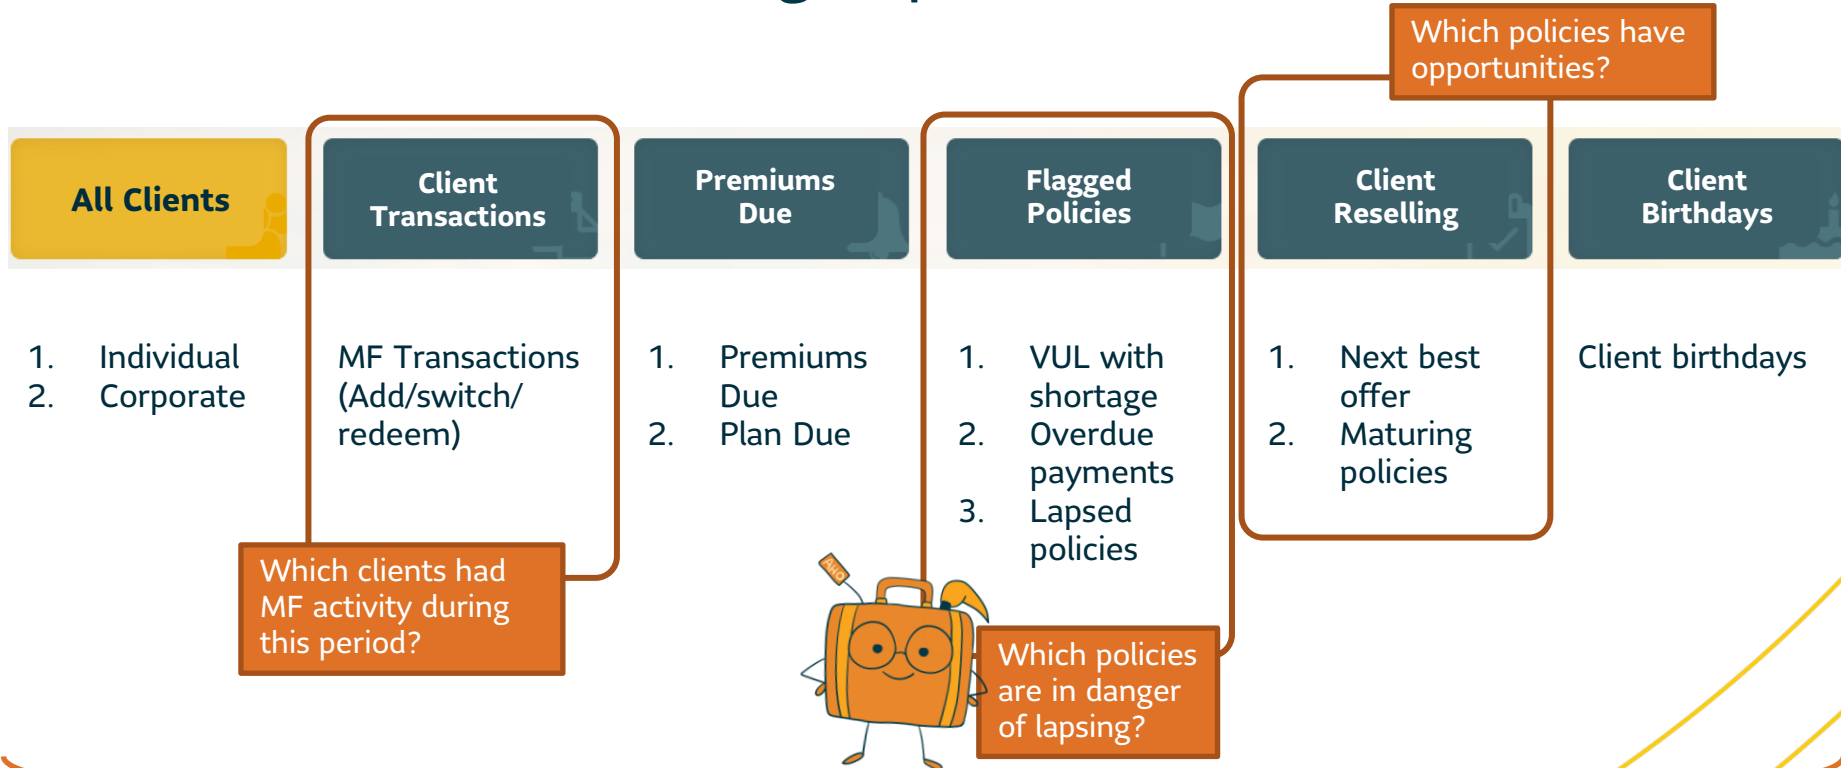

- Collapses for larger view**: Points to the hamburger menu icon in the top left corner.
- Client and policy/account search**: Points to the search bar in the top right corner.
- User account**: Points to the user account link in the top right corner.
- Clients & NB**: Points to the 'Clients' link in the left sidebar.
- Own & Team Production**: Points to the 'Production' link in the left sidebar.
- News and Resources**: Points to the 'Announcements' link in the left sidebar.
- Log out**: Points to the 'Logout' link in the left sidebar.

# Anatomy of a Policy View

The screenshot shows a web interface for a policy view. At the top, there's a navigation bar with a menu icon, a logo, and a breadcrumb trail: Clients > Anna Mariel Santos > Portfolio > Sun Flexilink - 0801533872. On the right, it says 'Sasha Advisor Sun Life'. The main content area has a sidebar on the left with icons for home, clients, documents, calendar, and people. The main area is divided into two tabs: 'Portfolio' (selected) and 'Profile'. The 'Portfolio' tab shows a card for 'Insurance for Anna Mariel Santos' with details like issue date, face amount, policy duration, and total payments made. To the right of this card is a 'Premium paying' section with a table of fund values and sums assured. Three orange callout boxes are overlaid on the image: one pointing to the owner's name and contact info, one pointing to the insurance card details, and one pointing to the premium paying table.

## New Business statuses are grouped into 3 sections: Pending, Approved/Settled, Negative Decision

- Data batch run is done every 2 hours during business hours
- It could be that the status of the app has changed in WMS in real time, but is still queued for the next batch for AHO (so the updated status will appear in the next batch job)

# OTP Access to Income Statements page (as of Feb 26)

## I. Creation of the Settings page and Privacy Settings

- Advisors have the option to require OTP access to Income Statement page. This is enabled by turning on the Privacy > Income statements page.
- Any change in this option (enable, disable) will require an OTP.
- AHO uses the advisor's Sun Life-registered mobile number. Any changes in mobile number should be coursed through Agency Recruitment and Licensing.

# OTP Access to Income Statements page

## II. Emailed notifications in Privacy Settings

Dear .Advisor Name

Your Income Statements OTP settings has been disabled or changed.

If you did not make this change, please check your settings or report this incident to Advisor Technology Support (02) 8-849 9439.

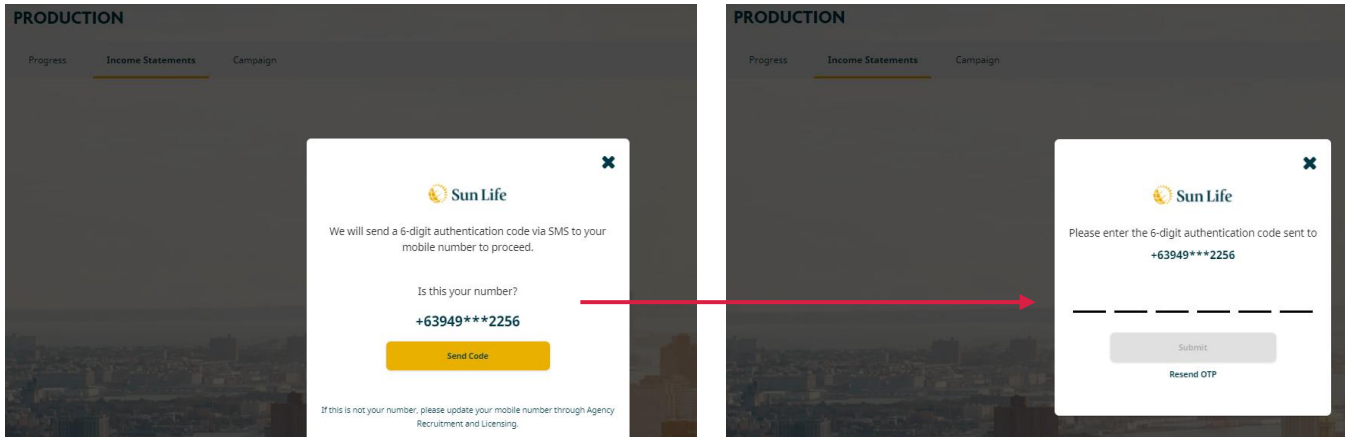

Thank you.

*\*This is a system-generated email. Please do not reply.*

- Any change done (enable/disable) in the Privacy Settings page triggers an email notification to advisor.

# OTP Access to Income Statements page

## III. OTP upon clicking Production > Income Statements

- When activated, the OTP is required once for every session. E.g. If advisor visits Income Statements and complete OTP > Navigates to other AHO pages > Returns to Income Statements, advisor will not be required to enter OTP again.
- Advisor will be required to go through OTP if he logs out or if the auto-log out session is reached, and then logs in again.
- Maximum of 5 failed OTP attempts. After which, advisor can log out and try again.
