Smoking Habit Information (To be completed if the Life to be Insured is 16 years old and above)

How many cigarettes, cigarillos, cigars, e-cigarettes, pipes, betel nut, chewing tobacco, nicotine gum or patches or any form of tobacco have you within the last 12 months? *

NONE

Insurance History and Declaration on the Proposed Replacement

REMINDER FROM THE INSURANCE COMMISSION ON REPLACEMENT OF POLICIES

Replacement occurs when an existing life insurance policy is used to pay for a new one through a policy advance or surrender. Replacing an existing policy with a new one is disadvantageous as you may be required to pay a higher premium due to any change in your health or age. It may also result in the loss of financial benefits accumulated over the years.

Do you have life insurance policies in force with Sun Life or other insurance companies? *

☐ YES ☒ NO

Do you have life insurance policies pending with Sun Life or other insurance companies? *

The insured tab will focus on the medical questions as well as the payment options.

Answer the questions accurately for:

- Smoking Habit
- Insurance History
- Health Information
- Details of Medical Result (if required)
- Travel, Aviation, Hobbies and Lifestyle
- Temporary Life Insurance
- Payment arrangement

Important “Is a full medical exam required” Question

Health Information

Is a full medical examination required based on published Sun Life guidelines?*

☐ YES ☒ NO

It is important that you provide complete and true information for us to assess your application. If you are not sure if some information is relevant, provide it anyway. If you fail to provide all relevant information that you already know, future claims may be denied, the policy or rider may be declared void.

Family History

Father

Is your father living or deceased?*

Select

Current age or age at death*

The medical examination will be based from your MedEx Limits. Make sure you answer accurately the Sunny Level-up and MDRT details in the Basic Tab for your exemptions.

If there will be no medical examination, the insured will have to answer a series of medical questions. Make sure the client answers as accurately and truthfully as possible.
