CLIENT CONSENT FOR USE OF COURIER

Dear [Client Name],

Good day! Your Sun Life Policy Contract is ready. However, due to the prevailing mobility restrictions and for your safety, it is advisable to have your Policy Contract delivered via commercial courier instead.

Rest assured that I will monitor and track the delivery, and once received, we can initiate the discussion of your policy.

Should you wish to proceed with this delivery arrangement and permit the sharing of your contact information with the courier, kindly provide your consent by replying to this email with "I Agree".

Thank you.

Regards,
