01 WHO ARE WE?
THE MEN AND WOMEN
BEHIND NB & UW SERVICES

Three Sections in New Business and Underwriting Services

New Business Review Associate and Analyst

Reviews created records and executes auto appraisal

Performs simple underwriting involving **occupation and foreign travel guidelines** up to their approval limit

Final status of speedy processed applications

Reviews and releases policy contract

Underwriter

Analyzes the applications that are not approved by NB Review Associates which are **more complex in nature or with medical, financial, and legal concerns**

Performs **appropriate risk classification** based on provided information, probability of death, or disability guided by Sun Life Underwriting Manual and Reinsurance Group of America Manual

Facilitator

Returns medical records to doctors

Prepares offer forms and computes extra premiums (for traditional products only)

Processes refund of premium

Processes payment of doctors for APS reports; reimburses advisors of the medical costs they advanced for UW requirements

Processes NPW fees and charging of unnecessary requirements submitted by advisor

Summary of Improved Underwriting Limits

Increased non-medical authority (NMA) limit for basic life from Ps. 4.5M Ps. 10M.

Aggregation period for NMA limits was reduced from 5 years to 2 years.

New and separate NMA limits and special test limits for Critical Illness (CI) policies and riders.

Summary of Improved Underwriting Limits

Critical Illness maximum issue limit was increased from **Ps. 8M to Ps. 15M.**

Hospital Income Benefit (HIB) limit was increased from Ps. 5,000 per day to Ps. 10,000 per day per life.

Increased threshold for our special test limits.

Increased threshold for Prostatic Specific Antigen (PSA) blood test requirement .

GIO limit was increased from **Ps. 120M Single Premium to Ps. 250M Single Premium.**

Accidental Death Benefit (ADB) was increased to **Ps. 75M (total with Sun Life only)** and to **Ps. 100M (total with Sun Life and other companies).**

Two Types of Advisor's Non-Medical Authority (NMA) Limits

First Level (Non Sunny Level-Up) Advisors

Completed the Basic UW Module.
Maximum NMA limit is
Ps. 4.5M.

Second Level (Sunny Level-Up) Advisors

Completed the training, income
requirement and **Underwriting
Essentials***.
Maximum NMA limit is
Ps. 10M.

Underwriting Essentials:

1. No compliance sanction relating to use of NMA and declaration of client's smoking habits.
2. No record findings during random testing and monitoring of Underwriting.
3. No records of claims denial due to misrepresentation.

How to become a Sunny Level-Up Advisor?

First Level (Non Sunny Level-Up)
Advisors must meet the criteria set by Sales Training and Development Department and complete the Sunny Level-Up Training.

Sales Training and Development Department will provide Underwriting with the list of advisors who attended Sunny Level Up and passed the examination.

Underwriting will update the NMA level in the system within **5 working days** from receipt of the list from Sales Training and Development Department

Underwriting will send email and SMS to advisor, UM and BM that the NMA level has been updated in the system.
